CHIEF'S REPORT

The RFA Staff Group met and is working through the implementation phase of the RFA annexation of COA.

Chief Cermak attended the first of three formal evaluations of FF/PM Oesch at South County Fire. His instructors are very impressed and trying to lure him to work for them; however, he is proud to serve NCAR and loves his roots. He is looked at as a top recruit and leader at his level. We are proud of him and his progress.

We attended an RFA Governance meeting to report progress to both governance groups. We welcome Mayor Tolbert, Councilpersons Oertle, and Nelson to our Board of Commissioners.

Chief Cermak attended the Caring and Candor All American Leadership training.

Chief Cermak worked with Katie and Kayley on starting to gather information on a Staff Report for a Chelan Strategic Planning Summit for our newly formed nine-person Commission. Chief Cermak will present the recommendation next meeting.

Darin Reid was recognized at an Arlington City Council meeting by the Snohomish County Department of Emergency Management, Jason Biermann.
